<b>Please provide a summary of your project.</b>

If you are planning on changing the color of your home, please include paint chips. Attach a copy of your plans and the adjacent homeowner statements from your neighbors. Submit forms to Jason Brothers. We prefer an electronic submission but will accept hardcopy.

The submitter understands that they must obtain approval from the Rainbow Lakes Architectural Review Committee (ARC) before beginning the project. Approval does not relieve me of my responsibility to obtain a county issued building permit, if required.
