March 2019

As many of you already know, the 3-rail fence line along the golf course and within our community parks sustained damage during the August hail storm last summer. As a result, we are able to have the fence re-stained at very low cost to the HOA. We have hired a local company, Pretty Fences, to complete the job and plan to use the same Penofin Ultra Premium transparent Western Red Cedar penetrating oil base product. This is the same product, color and transparency we have used in the past. This project is scheduled to start early this spring – weather permitting.

Many of you have probably already noticed work has begun on the North pump station. They are already pouring concrete and the project should be completed by mid-March.

Easter is fast approaching and we are preparing for our Annual HOA Easter Egg Hunt. We the Board, and as I am sure most of you, are very thankful to have this very popular event in our neighborhood. Michelle and Mike Phelan have been running the Easter Egg Hunt for about a decade with tons of help from many volunteers. Michelle and Mike are ready to turn over the torch. A fairly new couple to our community, Stephanie and Chris McGilvray, have agreed to take over the lead position. Anyone who attends should take a moment to thank both couples, along with all of the volunteers, for the hard work they have and will continue to contribute to this wonderful event which brings many smiles to our young children and grand-children.

If you are able to volunteer for this event in any capacity from cleaning, stuffing or hiding the eggs, please call or email Michelle at (970) 227-1859 or MNMPPhelan@msn.com.

To volunteer in any other area or for questions about or HOA, please contact David at Flagstaff Management, (303) 682-0098 or visit flagstaffmanagement.com.

Dates to remember:

Easter Egg Hunt – Saturday, April 13th (alternate bad weather April 20th). Starts at 4 pm.

Garage Sale – Saturday, June 1st (alternate bad weather June 8th), 8 am to noon.
